SimpliGO Disaster Preparedness Planner DPP

The area you live in may be susceptible to a variety of emergencies both natural and man made. Not only should we all be prepared and ready for these emergencies, but we should also know what to do before, during, and after an incident occurs. It is extremely important to also be aware of emergency plans that may already exist in your school, work, house of worship, or wherever you may be. The PHP Transport's technology group has created an easily-adaptable Disaster Preparedness Planning (DPP) mobile device app that will help you stay informed, have a plan, and get involved.
